

SANTA MARIA DELLA VITTORIA ACCREDITED NURSERY AND KINDERGARTEN SCHOOL

MONTHLY FEES

Children enrolled at Santa Maria della Vittoria Kindergarten are required to contribute to meal services. Reduced rates are available by **presenting a valid ISEE (Equivalent Economic Situation Indicator) certificate at the start of each school year.**

Santa Maria della Vittoria is an accredited institution in partnership with the Municipality of Brescia and offers additional paid services, including Early Drop-Off, Extended Day, and July services.

School fees are determined based on the ISEE. The Municipal Council has introduced a new fee system that follows a linear progression. This means that each ISEE value corresponds to a specific fee. Although the fee structure has changed, the amounts remain the same.

The fees consist of two components: the base fee and the cost of additional services (for those who enroll), which are set by the school's Board of Directors. The base fee is the same as that established by the Municipality and is determined according to the ISEE brackets published on the Municipality's website.

Parents must submit their ISEE certificate in paper form to the school administration by **September 20th each year. If submitted after this date, the new fee will apply starting from the submission date.**

If no ISEE certificate is provided, the maximum monthly fee of €135.00 will automatically apply.

Fees must be paid by the 10th of the month following the month of service. To be eligible for tax deductions, payments must be made using a traceable payment method.

REDUCTIONS

- If a child is absent for more than 50% of school days in a given month, the fee is reduced by 30%. The fee is waived if the child does not attend any days during the month.
- The December fee is reduced by 30%.
- After applying all reductions, the minimum fee payable is €35.00 per month.
- **SIBLING DISCOUNT:** Families with more than one child enrolled in the kindergarten school meal service will receive a 25% discount for the second child onwards, provided they reside in the Municipality of Brescia.
- **Large Family Exemption:** Families residing in the Municipality of Brescia with four or more children aged 0 to 18 years and an ISEE of up to €21,000.00 may apply for free services for the fourth and subsequent children. **This exemption applies upon submission of an application to the relevant registration office. Late applications will be considered from the first day of the month following submission.**

MENU CHANGES

Requests for menu changes must be made at enrollment or if health-related issues arise. The following certifications must be provided **at the start of each school year:**

- For allergy or food intolerance diets, **submit the results of allergy tests along with a certification from an allergist or specialized medical center.**
- For metabolic disease diets (such as diabetes, obesity, celiac disease, etc.), **submit a medical certification from a specialized center.**
